WELCOME TO THE SALE

52ND ANNUAL SALE

We'd like to welcome you, your family, and friends to our 52nd annual bull and female sale on Monday January 20, 2025. The cattle business is changing rapidly. High quality cattle are being better identified and priced accordingly. It's a terrific time to be in the cattle business. It's nice to be on the right side of the supply and demand equation. Prices for top quality feeder cattle have hit historic highs and should remain that way for years to come.

Please feel free to stop in anytime and walk through the bulls. The quality runs deep enough you'll want to walk through all 250 bulls, that's hard to do the morning of the sale. The bulls will be available Saturday and Sunday, if you'd like to come early to spend more time leisurely walking through them. Marbling matters, with the select and choice spread in the beef market at higher levels it just makes sense to raise higher marbled cattle. This year's entire group of sale bulls set at the top 20% of the Hereford breed in marbling. We have worked at ratcheting marbling numbers up slowly, so as not to compromise other key traits such as fleshing ability and fertility.

Easy fleshing, feed efficient cattle matter. With the high costs of inputs, fast growing, feed efficient feeder cattle, and easy fleshing replacement females are key. Our type of easy

keeping, long, growthy Hereford cattle will add efficiency to any cow herd. Our cowherd is managed without special treatment. We maintain our cows the same as any good commercial operation does, as inexpensively as possible. Our cows graze with no supplement nine months a year and calves receive no creep feed.

Length, consistency, and structural correctness matters. As you look through the catalog, you'll notice subtle differences in the bulls, but from top to bottom they all have certain things in common: long, strong backs, straight sound legs, big hindquarters, deep ribbed, long hip, and out of a very efficient mother cow with good trouble-free udders. Their consistent quality is a sign of how even and consistent their calves will be.

Best guarantee in the business. We expect these bulls to do well in any environment, and hold up well. If you have any problems please do not hesitate to call us.

We will retain a quarter semen interest in all sale bulls.

The Van Newkirk Family

Joe & Cyndi Van Newkirk

Kolby, Meg, Barrett, Sloan, Blair & Marlo Van Newkirk

Sara, Matt, John & Kennedy Cover

Nick, Celina, Lorenzo & Vitta Van Newkirk

ABSENTEE BIDDING

We welcome you to the sale and invite you to come to the ranch any time and look through the bulls and heifers if you would prefer to come early and remote bid. Give Joe, Kolby, or Matt a call ahead of the sale to assist you. Setting up your absentee bidding option a few days before the sale is recommended.

1

REMOTE ORDERS BEFORE THE SALE

Place an order anytime ahead of sale day by calling Joe (308) 778-6049, Kolby (308) 778-6230 or Matt (308) 458-7455.

2

WATCH AND BID ON DVAUCTION.COM

VIEWING. To watch and bid online, go to www.dvauction.com and create a new account. DVAuction will contact you once you have been approved to bid. They will not provide a buyer number until you have purchased a lot in the sale and that number is only usable for our sale. High speed internet access is required to be able to bid successfully during the sale.

PROXY BIDDING. Follow the instructions above and as the sale date nears, there will be a Proxy Bidding button underneath the sale name on the DVAuction website. You can then place your maximum bid and the system will represent your bid just as if you were there.

Kaci Toelle, DV Auction Representative 308-214-0950

3

WATCH AND BID ON LIVE-AG.COM OR DISH CHANNEL 230

VIEWING AND BIDDING. Go to www.live-ag.com and click on the PUREBRED tab, located at the top right of the screen. Select the auction of choice. Select "log in or create an account to bid" and enter your email & password. Fill out the required fields to bid online. Agree to the terms of service and finish with the "register" button. An account is NOT necessary to watch an auction. Once logged in, and a sale of choice has been selected, click "register to bid" - agree to terms and conditions, and click the "register" button. Pending request will be approved in a timely manner.

Blake Tucker, Live Ag Representative 308-660-3963

4

WATCH AND BID ON SUPERIORLIVESTOCK.COM

VIEWING. The auction will be broadcast online at Bid.SuperiorLivestock.com and the pre-recorded videos will also be hosted there. You do not need an account just to watch the auction or view videos of the sale offering.

ONLINE BIDDING. Go to Bid.SuperiorLivestock.com for Superior's new online bidding platform. If you have not registered there before you will need to create an account. The first time you register an account you will receive a confirmation e-mail that you must click on. Once you have completed this, select the auction you would like to bid on and click the "Request a Buyer Number" button. The first time you request a buyer number you will be sent a confirmation code via text. Enter that code in the login portal and you will receive a buyer number. This 2-step verification process will only have to be done once and in the future, you will be able to simply login and request a buyer number and receive it instantly for any auction. Once you have successfully registered and received a buyer number it will show your name and buyer number on both the video preview page and the online bidding page when you are logged in. If you have an account at LiveAuctions.tv you may skip the registration process and use those login credentials to request a buyer number as LiveAuctions is a division of Superior Livestock. For more details on registering an account and also how to bid, you may watch a tutorial at Bid.SuperiorLivestock.com/how-it-works.

Superior Livestock (800) 422-2117

5

PHONE BIDDING ON SALE DAY

This is Superior's traditional method of buying cattle and is the suggested process for anybody who does not have consistent, high-speed internet. You still must register an account at Bid.SuperiorLivestock.com and request a buyer number. Once you receive a buyer number you will see the bid line phone number. Just watch the auction online and call in at least 2 lots ahead of the lot you are looking to bid on. A Superior Livestock representative will be with you on the phone and will assist you in placing bids. **Superior Livestock (800) 422-2117**

TERMS AND CONDITIONS. Van Newkirk Herefords offers an unconditional guarantee. Satisfied, repeat customers are important to us. We feel that we own these bulls through the first breeding season, so if you have a problem, call us. We also retain 1/4 semen interest in each sale bull. All animals, of breeding age, are guaranteed breeders. Animals failing to breed after a trial of six months may be returned to us.

Terms of the sale, cash. All settlements must be made at close of sale or arrangements made with Van Newkirks. Any dispute as to the bids or bidders will be settled by the auctioneer, whose decision shall be final. Extreme caution has been taken in copying each pedigree to avoid errors, but we are not to be held responsible for any error which might appear and which is beyond our control.

WHY VAN NEWKIRK BULLS?

210 bulls

M+G in top 15 % of breed

159 bulls

BW EPD under breed average

132 bulls

WW EPD in top 15% of breed

85 bulls

YW EPD in top 15% of breed

109 bulls

Marbling in top 15% of breed

DECODING OUR NUMBERS

Act. BW — Actual birth weight

Adj. WW — Adjusted 205-day weight

Adj. YW — Adjusted 365-day weight

BMI — Baldy Maternal Index

REA — Adjusted ribeye measurement

MARB% — Adjusted MARB% measurement

Dam #hd/wwr — Dam's number of progeny with weaning weight information/average weaning weight ratio on those progeny

Dam #hd/ywr — Dam's number of progeny with yearling weight information/average yearling weight ratio on those progeny

LENGTH: Bottom line, you sell by the pound. The extra length of Van Newkirk bulls adds serious pounds and profits to your calves. Length helps you maintain calving ease with heavier calves.

LONGEVITY: Structural correctness and easy fleshing ability have been bred into Van Newkirk bulls since 1947. Van Newkirk bulls are working from south Texas to Canada, Virginia to California. Their easy fleshing ability and structural correctness allows them to perform well in any environment.

CONSISTENT QUALITY: It takes generations of breeding and culling for quality genetics, otherwise you end up with one hit wonders that don't breed consistently. When you walk thru a sale offering every bull should look the same-no bottom end. That's a sign of how those bulls will breed and how their calves will look. Even, consistent calves make you money. Van Newkirk bulls breed predictability. They are backed by 70+ years of quality genetics. The quality of Van Newkirk bulls runs deep, there is no bottom end. Every bull selling is raised by his natural mother in commercial cattle conditions.

DOCILITY: Easy going, quiet cattle is important. It impacts your safety, as well as your calves efficiency and rate of gain and carcass quality.

BREED LEADING CARCASS: Several sale bulls are in the top 1% of the breed for marbling. The marbling average of 250 bulls is in the top 15% of the breed. With more cattle selling on the grid; and tracking of feeder cattle, marbling matters.

BULLET-PROOF TWO YEAR OLDS: Van Newkirk two-year old bulls are ready to go to work and breed a lot of cows in any environment. They hold up well, don't fall apart, and don't require any special treatment, because they weren't overfed as yearlings.

THE COWHERD: Van Newkirk bulls breed predictability. They breed strong because of our 70+ years of using top-quality genetics. Not one hit wonders. These bulls are raised by their own mothers in realistic conditions. We have never sold off our top females. Our cows are some of the best in the breed.

Exceptionally long made Remedy son from a solid producing Lost Creek daughter. Some pigment, with extra length of back and hip. Grand dam is an AHA Dam of Distinction.

YEARLING BULLS. This elite group of bull calves represents our latest and freshest genetics. Many of these calves could be used on heifers. We think you'll appreciate their length, thickness, and performance. They will not be highly fitted, but should weigh 900-1,000 lb. by sale day. Ultrasound data will be available on Facebook and our website in early January as well as sale day. These pictures were taken in November; you may want to check out their individual videos at www.VanNewkirkHerefords.com.

Open the camera on your smartphone.
 Hover over the QR Code on the lots in the catalog.
 Tap the link that appears in yellow.
 The video of that lot will now play.

QR codes will not be activated until videos of the bulls are available **Mid to Late December.**

Heifers

INDUSTRY LEADING MATERNAL GENETICS

100 Very Elite Straight Hereford Commercial Heifers

This is an outstanding set of heifer calves right off our replacements. You'll find them extremely deep bodied, easy fleshing, with consistent quality throughout. They'll be weighing 750-775#. They will make top notch mother cows. They have had all of their vaccinations, poured with Ivermectin, as well as their Bangs shot. They will be sold in lots of 10 or more – gate cut. We will pay for half of the freight for groups (multiple buyers) of 40 or more to one central destination.

For more information, call Joe at 308-778-6049, Kolby 308-778-6230, or Matt at 308-458-7455.

140 F1 Baldy Heifers

Fertility is second to none. These heifers are not topped, and sired by front end Van Newkirk bulls. Long time weaned, have had a complete shot program, have been poured with Ivermectin, wormed with Safeguard, and bangs vaccinated. They are a moderate framed, easy fleshing set of heifers out of a set of cows that are culled hard for phenotype, udder quality, and disposition. They will be weighing 700- 725#. Located in central Nebraska. Selling as 2 load lots.

For more information, call Cody Cone 308-520-4687
